Presentation: "Rachel's Challenge"

The family of Columbine victim Rachel Scott presents a powerful program illustrating the importance of helping every student to feel connected to his or her school community. Through Rachel's writings and actions, they challenge students to be proactive and "start a chain reaction of kindness and compassion in their schools."

Rachel Scott was one of the students killed at Columbine High School on April 20, 1999. Her acts of kindness and compassion coupled with the contents of her six diaries have become the foundation for one of the most life-changing school programs in America.

Rachel's Challenge is a program that INSPIRES, INSTRUCTS, and ENABLES students to bring positive change to their school atmosphere. The parent evening is a powerful session showing how parents and educators can reinforce the decisions their children are making.

Entertainers, politicians, sports celebrities, educators, and even two Presidents of the United States have been impacted by Rachel's Challenge.

Please join us for a special evening that will allow us to start a chain reaction that will change the fabric of our school community.
