Dear Parent/Guardian:

Parents have requested that they have access to a list of contact information for students on their child's grade level. In response to that request, the Middle School PTSA and the Shared Decision-Making Team have worked collaboratively to create a class listing containing names, addresses, mother's email addresses and primary home phone numbers for your personal use. This list will be posted on the Jericho Middle School website, will be password protected, and will be available to parents of students on the grade level only.

Class lists are updated periodically. Information from forms submitted after the September deadline will be included in future updates.

The emergency phone numbers you provided on the Jericho Middle School Emergency Contact Information form will be released to the PTSA in the event of an emergency phone chain ONLY. They will NOT be included on the class lists.

If you would like your child's contact information to be included on this list, you **MUST** complete this form and return it to the school.

PLEASE NOTE: If your contact information changes, please contact the MS Guidance office at extension 3555. **Otherwise, this form will remain on file through 8th grade and does not need to be completed on a yearly basis.**

RE MINDER: Your child's name will not be included in the class listing without this form completed and without a parent's signature.

Please return form to Ms. Ballute's office
