September, 2006

Dear Sixth Grade Parents:

On behalf of the staff, I would like to invite you to our annual **Back-to-School Night** on Wednesday, September 20, 2006. Classroom presentations will begin at 7:30 p.m. The purpose of this evening is to acquaint you with your child's middle school experiences. Teachers will share information that will allow you to understand the curriculum, classroom expectations and assessment practices that determine your child's progress. Please note that this evening is not designed for individual conferences. However, if this need exists, please call your child's guidance counselor or student team advisor to schedule a conference.

You can obtain a copy of your child's schedule, which you will follow throughout the evening, at https://www.jerichoschools.org/student_records/. Since schedules can change, please download the latest copy of your child's schedule before attending Back-to-School Night. Below you will find the time schedule for each period. A duplicate copy of the schedule and school maps can be obtained outside the Assistant Principal's office (Mrs. Patricia Bany) on the lower level. Please feel free to contact a guidance counselor or an administrator with any questions you may have.
