

Dear Incoming Sixth Grade Parent/Guardian:

Beginning today, you and your child will choose courses to take next year in the Middle School. You and your child will be selecting a **music class** and a **world language class**. Students choosing exploratory music or chorus will also be programmed for an exploratory period. Please [click here](#) OR go to the Jericho Middle School home page, select “Resources” at the top of the page, then click on “2021-2022 Course Requests,” then “Incoming 6th Grade.” On that page you will find course descriptions and course selection information.

The administration and staff are confident that our scheduling configuration and course offerings will have a positive impact on all students. As a result, it is important that you review this information with your child and make a collaborative decision in determining course requests.

To choose courses, click on the link at the end of this letter to enter your choices into the database. You will need your child's student number, located on report cards and progress reports, as well as at the top of this email. You can print a copy of your submission at the end of the registration process and you will receive an email confirmation of your selections. ***You must complete the online registration form by MARCH 1, 2021.***

Team configurations for core subjects are carefully balanced based upon many factors including elementary school, gender, and student need. **As a result, we cannot honor any specific teacher or team placement requests.** Please take some time to read the letter from Dr. Gately on the Course Selection web page for more information about the scheduling process and why we cannot accept placement requests.

If there are extenuating circumstances regarding your child’s academic, social or emotional needs, please submit your concerns in writing to Ms. Richman (mrichman@jerichoschools.org) guidance counselor, or me.

The deadline for all input is MARCH 1, 2020. We cannot consider any input we receive after this date. We will acknowledge all written correspondence. If you do not receive an acknowledgement, please call the office no later than **MARCH 1, 2021.**
